

WE NEED YOUR HELP!

HUNGER IS REAL IN YAMHILL COUNTY

Hunger is a real issue and it exists right here in Yamhill County. Whether you know it or not, a significant chance exists that people you see every day are affected by hunger — maybe even some of your friends and neighbors. We anticipate serving around 30,000 meals in 2017, many of them to children. We need your help to feed the hungry of Yamhill County.

The Soup Kitchen @ St. Barnabas Episcopal Church relies on the generosity of this community for funding. Your gift can help provide nutritious meals to local people in need. It might surprise you how much your gift can help. Please see other side to support the Soup Kitchen @ St. Barnabas.
